SMBCI Care 1500 365

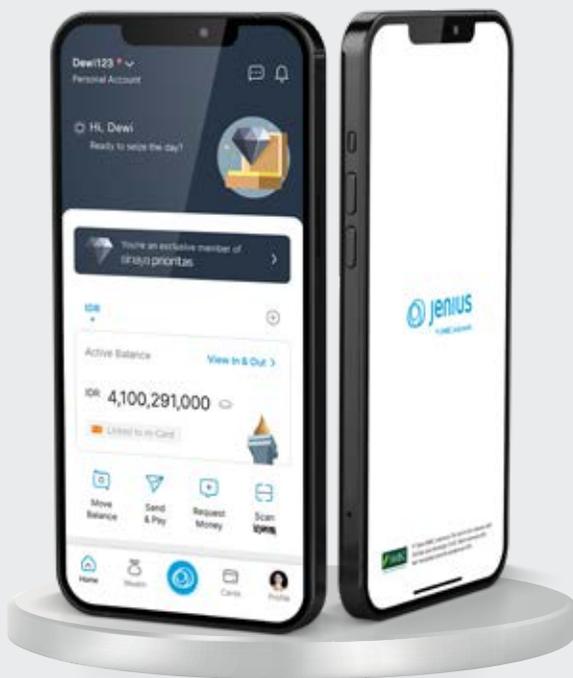

Thank you for choosing Sinaya Prioritas as your wealth management partner

At Sinaya, not only your investments grow with optimum return, but they also take on a journey to become “Sinar yang Memberdayakan” (The Light That Empowers). For every fund you save will be distributed to low-income households, micro, small and medium-sized low-income households, micro, small and medium-sized enterprises, as well as development projects initiated by the government, so that you are contributing to our mission to empower millions of Indonesians and develop national economy.

To maintain our consistency to provide you with the best personalized banking service and to maximize your investment return, Sinaya Prioritas is delivered as an advanced digital priority banking that will give you more than a Priority Service. We value your life investment in order to offer you the opportunities to live life to the fullest, prepare for the future generation and create a more meaningful life.

PT. Bank SMBC Indonesia Tbk

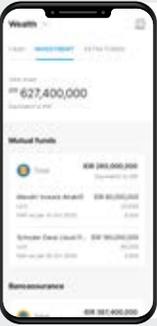

Digitalizing Your Priority

Sinaya Prioritas is priority banking service that can be accessed digitally through Jenius mobile application that offers you the ease of accessing banking and investment services, whenever wherever you are.

With Jenius, you can discover the new way of managing your wealth. From transferring and saving funds, to paying bills, viewing bank statements and opening deposits. All can be done conveniently and securely through your smartphone with priority banking services from Sinaya.

Sinaya Prioritas Features

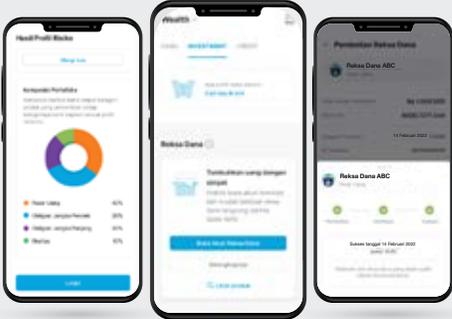

Total Wealth info

View your total financial portfolio in one frame
