Benefits		Risks	
1. Provide competitive returns. 2. Affordable placement value. 3. Available for various tenors which may be selected according to your needs.		1. There is a risk related to interest rates, in case there is an increase in interest rates, the Customer cannot get the increase if the placement has not matured. Conversely, a decrease in interest rates in the market also does not affect the Customer's savings. 2. There is a risk that the current interest is not paid for the disbursement of funds prior to maturity and the impact of the penalty on the principal of the deposit. 3. Deposits are not guaranteed by LPS if the nominal balance of the Customer's savings in one bank exceeds Rp2 billion and/or the Customer's deposit interest rate exceeds the LPS guarantee interest rate.	
Consequences			
1. Customer deposits are not guaranteed by LPS if: - The nominal balance of the Customer's savings in one bank exceeds Rp2 billion. - The Customer's deposit interest rate exceeds the LPS Guaranteed Interest Rate. 2. Deposit funds are unable to be used during the placement period/tenor. 3. There is an adjustment to the interest rate according to the provisions applicable at SMBC Indonesia, if the Customer makes a deposit withdrawal before maturity.

Additional Information

1. The procedure for disbursement/closing deposits follows the provisions applicable at SMBC Indonesia.
2. The extension of Deposit:
 - Automatic extension/ARO (Automatic Roll Over).
 - Manual extension: deposit extension is carried out after receiving written confirmation from the Customer, where in the calculation of interest, it does not consider the interest on deposits that have matured and have not been extended.
3. Extension can be in the form of principal only or principal and interest.
4. Interest is paid monthly or at maturity.
5. Deposit disbursement payments or interest payments cannot be made in cash.
6. Disbursement of deposits that mature on holidays is regulated as follows:
 - If the confirmation and disbursement instructions are fully received by the branch before the due date, the deposit can be disbursed according to the deposit due date.
 - If the confirmation and disbursement instructions are received by the branch 1 working day later, the deposit can be disbursed on the same day when the confirmation and instructions are fully received by the branch. Deposit interest during holidays is given to Customers according to the interest rate and principal value of the deposit that applies during the tenor of the deposit.
 - If the Customer has given confirmation and instructions before the due date, but wants the disbursement on the next 1 working day, then the disbursement and interest payment refer to the points above.
