* Dormant account conditions are as follows:

- If there are no transactions in the Customer's account for 6 (six) consecutive months, then in the 7th (seventh) month the Customer will automatically not be able to make debit transactions (account status is inactive).
- If in the 7th (seventh) to 12th (twelve) months there are still no transactions or account activation processes, then automatically in the 13th (thirteenth) month the Customer will not be able to make debit and credit transactions (account status becomes passive/dormant).

Benefits	Risks
- Provides savings options in foreign currencies - Affordable initial Deposits - Ease of cash withdrawal and shopping transactions at the Plus/Visa ATM network overseas.	- There is a market risk related to interest rates where an increase in interest rates in the market is not directly reflected in changes in savings interest rates. - There is an exchange rate risk if the Customer makes an exchange transaction between currencies - Your savings are not guaranteed by LPS if: - The nominal balance of your savings in one bank exceeds Rp2 billion. - The Savings Interest Rate consider the provision in the form of money from SMBC Indonesia that you receive.

Consequences

- Customers shall be obliged to provide information and/or data in accordance with the actual conditions, if the Customer does not provide the actual information and/or data, it becomes the Customer's full responsibility.
- Misuse of PIN/passwords is the full responsibility of Customer.
- The customer's account is not guaranteed by LPS, if:
 - The nominal balance of the Customer's savings in one bank exceeds Rp2 billion.
 - The Customer's savings interest rate exceeds the LPS Guarantee Interest Rate.
- If within a certain period of time the Customer does not make a transaction, the Customer's account will become inactive/dormant and cannot make transactions. The Customer can reactivate it through SMBC Indonesia Bank branch.
- The Customer will be charged rates and fees and may change according to the provisions applicable at SMBC Indonesia.

Simulation of Daily Interest Calculation Method

Mr. Budi opened an account on the 1st and deposited USD 25,000 in the account, and did not make any transactions until the interest payment period was on the 25th of the month.

On the 25th, Mr. Budi will earn interest of:

Balance	Interest rate (p.a)	Interest Rate Nominal
99	0.00%	-
24,901	0.03%	0.49
Gross Interest Value		0.49
Net Interest Value (After withholding tax 20%)		0.39

Additional Information

1. Minimum balance to earn the interest is USD 100 and all nominal for SGD currency.
2. Interest is calculated on the daily balance using the tiering method.
3. The interest earned is subject to tax in accordance with government regulations.
4. Savings interest is earned on the 25th of each month.
5. Accounts can be accessed through SMBC Indonesia branches.
6. Have the ATM/Debit card facilities that can be used for cash withdrawal and purchase transaction on the overseas Visa network.
7. If the Customer closes the Foreign Currency Tabungan Sinaya account and the account is the only account belonging to the Customer connected to the ATM card, the ATM card will also be automatically closed.
8. Transaction information services are available through SMBC Indonesia notifications (SMS and Email) related to account transactions. Currently, the providers that can be used by customers to obtain SMBC Indonesia notification services automatically are GSM providers (including XL, Telkomsel, Indosat Ooredoo, Axis and Three).
9. The product is also equipped with an Account Consolidation Report (LKR) service which is sent at the beginning of every month for transactions for the past 1 month.

Summary of Product and Service Information (Individual) Versi 01102025

10. To obtain the Account Consolidation Report (LKR) service via Email (E-Statement), customers are required to apply for registration to SMBC Indonesia.
11. Registration for the notification and Account Consolidation Report (LKR) service is free of charge.
12. Banks are required to inform all changes to the benefits, costs, risks, terms and conditions of products, and services by mail or through other means in accordance with the applicable terms and conditions. The notification will be notified 30 days before the change becomes effective.
13. Other information regarding costs, benefits and risks can be accessed through the website at www.smbci.com.

- Customer Service Email: smbcicare@smbci.com

Simulation of Deposit Product

Mr. Budi places a USD time deposit of USD 10,000 with a tenor of 12 month and an interest rate of 2.00% p.a., so the interest calculation for Mr. Budi is as follows:

Amount of Deposit	Tenor	Interest Rate (p.a)	Total Received Interest (Net)*	Taxes	Total Accumulation **
USD 10,000	12 months	2.00%	USD 160.00	USD 40.00	USD 10,160.00

*Simulation of interest calculation with a total of 30 calendar days in 1 month.

**Deposit funds plus interest after tax deduction.

Summary of Product and Service Information (Individual) Versi 01102025

Additional Information

1. The procedure for disbursement/closing deposits follows the provisions that applicable at SMBC Indonesia.
2. Deposit extension:
 - Automatic extension/ARO (Automatic Roll Over)
 - Manual extension: deposit extension is carried out after receiving written confirmation from the Customer, where in the calculation of interest, it does not consider the interest on deposits that have matured and have not been extended.
3. Extensions can be in the form of principal only or principal and interest.
4. Interest is paid monthly or at maturity.
5. Deposit disbursement payments or interest payments cannot be made in cash.
6. Disbursement of deposits that mature on holidays is regulated as follows:
 - If the confirmation and disbursement instructions are fully received by the branch before the due date, the deposit can be disbursed according to the deposit due date.
 - If the confirmation and disbursement instructions are received by the branch 1 working day later, the deposit can be disbursed on the same day when the confirmation and instructions are fully received by the branch. Deposit interest during holidays is given to Customers according to the interest rate and principal value of the deposit that applies during the tenor of the deposit.
 - If the Customer has given confirmation and instructions before the due date, but wants to withdraw on the next 1 working day, then the withdrawal and interest payment refer to the points above.
7. Proof of deposit placement is given in the form of a Bilyet, Deposit Advice or E-Advise.
8. Transaction information services are available through SMBC Indonesia notification (SMS or Email) related to automatic deposit closing (Automatic Roll Over). Providers that can be used by Customers to obtain SMBC Indonesia notification services are currently all GSM providers (including XL, Telkomsel, Indosat Ooredoo, Axis and Tri).
9. The product is also equipped with an Account Consolidation Report (LKR) service that is sent at the beginning of each month for transactions from the past 1 month.
10. To obtain the Account Consolidation Report (LKR) service via Email (E-Statement), Customers are required to register to SMBC Indonesia.
11. Individual Customers are automatically registered for the SMBC Indonesia notification service.
12. Registration for the notification and Account Consolidation Report (LKR) services is free of charge.
13. Other information regarding costs, benefits, and risks can be accessed through the official website at www.smbci.com.
