Benefits		Risks	
1. Provide competitive returns . 2. Affordable placement value. 3. Available for variation of tenors that may be selected according to your needs.		1. There is a risk related to interest rates in case there is an increase in interest rates, the Customer is unable to earn the increase if the placement has not matured. Conversely, a decrease in interest rates in the market also does not affect the Customer's savings. 2. There is a risk that the current interest is not paid for the disbursement of funds prior to maturity and the impact of the penalty on the principal of the deposit. 3. Deposits are not guaranteed by LPS if the nominal balance of the Customer's savings in one bank exceeds Rp2 billion and/or the Customer's deposit interest rate exceeds the LPS guarantee interest rate.	

Summary of Product and Service Information (Non-Individual) Versi 01102025

Consequences

- Customer deposits are not guaranteed by LPS if:
 - The nominal balance of the Customer's savings in one bank exceeds Rp2 billion.
 - The Customer's deposit interest rate exceeds the LPS Guaranteed Interest Rate.
- Deposit funds cannot be used during the placement period/tenor.
- There is an adjustment to the interest rate according to the provisions applicable at SMBC Indonesia, if the Customer makes a deposit withdrawal before maturity.

Requirements & Procedures**You must complete the requirements:**

- Have a savings or current account at SMBC Indonesia with the same currency as the source of funds and deposit withdrawal account.
- Fill out and sign the deposit account opening form.

Simulation of Deposit Product

PT. ABC places a deposito flexi of Rp100.000.000,- with a tenor of 6 months and an interest rate of 3.25% p.a, then the interest calculation for PT. ABC is as follows:

Amount of Deposit	Tenor	Interest Rate (p.a)	Total Received Interest (Net)*	Taxes	Total Accumulation**
Rp100.000.000,-	6 months	3.25%	Rp1.282.192	Rp320.548	Rp101.282.192

*Interest calculation simulation with a total of 30 calendar days in 1 month.

**Deposit funds plus interest after tax deduction.

Additional Information

- Deposit withdrawal/closing procedures follow the provisions applicable at SMBC Indonesia.
- Deposit extension:
 - Automatic extension/ARO (Automatic Roll Over).
 - Manual extension: deposit extension is carried out after receiving written confirmation from the Customer, where in the calculation of interest, it does not consider interest on deposits that have matured and have not been extended.
- Extension can be in the form of principal only or principal and interest.
- Interest is paid monthly or at maturity.
- Deposit withdrawal or interest payments cannot be made in cash.
- Deposit withdrawals that mature on holidays are regulated as follows:
 - If the confirmation and withdrawal instructions are fully received by the branch before the due date, the deposit can be withdrawn according to the deposit due date.
 - If the confirmation and withdrawal instructions are received by the branch 1 working day later, the deposit can be withdrawn on the same day when the confirmation and instructions are fully received by the branch. Deposit

Summary of Product and Service Information (Non-Individual) Versi 01102025

interest during holidays is given to Customers according to the interest rate and principal value of the deposit that applies during the tenor of the deposit.

- If the Customer has given confirmation and instructions before the due date, but wants to withdraw on the next 1 working day, then the withdrawal and interest payment refer to the points above.

7. Related with disbursements before maturity, the current interest rate will be adjusted with the following provisions:

Disbursement Period*	Accrued Interest Conditions
≤ 3 days	Accrued Interest is not paid
> 3 – <14 days	TD rate – 0.75%
≥ 14 hari - < 91 days	TD rate – 0.50%
≥ 91 hari - < 183 days	TD rate – 0.25%
≥ 183 days	TD rate

*calculation of calendar days

8. Proof of deposit placement is given in the form of a Bilyet, Deposit Advice or E-Advise.
9. Transaction information services are available through SMBC Indonesia notification (SMS or Email) related to automatic deposit closing (Automatic Roll Over). Providers that can be used by Customers to obtain SMBC Indonesia notification services are currently all GSM providers (including XL, Telkomsel, Indosat Ooredoo, Axis and Tri).
10. The product is also equipped with an Account Consolidation Report (LKR) service that is sent at the beginning of each month for transactions from the past 1 month.
11. To obtain the Account Consolidation Report (LKR) service via Email (E-Statement), Customers are required to register to SMBC Indonesia.
12. Registration for the notification and Account Consolidation Report (LKR) service is free of charge.
